YEAR IN REVIEW

I really enjoyed my year in 6th class. I did a lot of stuff including coming 3rd in the cross country race and 1st and 2nd at cork city sports. Also making it onto the primary games football team was a highlight.

We made it to both hurling and football Sciath na Scol semi-finals and we won the FAI soccer tournament. I am looking forward to our school tour to Tayto Park.

I enjoyed my last year in primary school... We did lots of enjoyable stuff. I ran in the Cork City sports and we came 2nd in the relay. The 6th class boys won the FAI 5 aside soccer tournament and we went to a cork city game.

We're also going to go to Tayto park next week which will be fun.

My favourite memories from 6th class are from the days that we did drama or made movies on the tablets. We had great fun and a good laugh. I also enjoyed our trip to the Christmas panto. It was entertaining and we had a load of sweets. I really enjoyed showing the new juniors around the school when they visited. It was really fun because they found it so big and were so curious. And finally I enjoyed making the yearbooks as it was fun doing the questions and looking at the photos. We had so much fun this year and were going to miss everyone.

During our last year, we did a lot of things such as Irish dancing, German and projects. My favourite moment was when we got our 6th class hoodies. We all put them on straight away and some started checking how the signatures turned out. Another moment was when we made movies using the iPad. I did mine with Meadhbh, Ella, Emily, Nina and Lilou. We did a movie based on the story of Anne Frank. Let's just say we made some changes!

We also made it to the semi-finals in both hurling and football. We had a few training sessions with Sean O'Leary, the Kilmurphy and Cork footballer. I also enjoyed our visit to the site of the Kilmichael Ambush. It was interesting to learn about the history from all those years back. I have enjoyed my last year in Cloughduv.

I really enjoyed my last year in Cloughduv. My favourite part of 6th class was doing Cloughduv's Fittest kids. I loved doing all of the different events outside. I also liked getting our 6th class hoodies because it made us stand out from everyone else. The football Sciath Na Scol was also very fun. We didn't win but we made it to the semi-final. I really liked going To the Kilmicheal ambush site because it was very interesting to learn about everything that happened in the War of Independence.

The last year of primary school was a fun year. We got our sixth class hoodies which made us stand out from everyone else. Also in December we went to the panto and watched Cinderella. We also did Irish dancing which could be annoying at times but also fun as you got to dance with friends. We also made movies. We made one in Irish and one in English. It was fun watching everyone else acting in theirs.

I really enjoyed my last year in primary school. I enjoyed the football and hurling Sciath na Scol. We made it to the semi-final and I played in goals in the football. I also enjoyed the FAI tournament where we made it to the Munster finals. I liked the confirmation. We spent a few weeks rehearsing for it and the actual ceremony went very well. My favourite moment was when we got the 6th class jumpers. I will miss it.

At the start of the year we had miss Keohane and we would do globe and wordle every day. Then she left and we had to protest to try to get her back. We made it to the news but we didn't get her back. After that we had a new teacher called Mr McElroy and we did a volcano project with him. We also went to the panto in December. We also learned German and Irish dancing. It was the funniest but it was ok. My favourite part was getting my 6th class hoody and maybe making the movies.

Some of my favourite memories from this year were winning the FAI soccer tournament and getting my Confirmation. There were some other fun moments like doing football training with Sean O' Leary from Kilmurry GAA. My last year was very enjoyable and I will miss it a lot.

I really enjoyed my year in 6th class. My favourite school memory this year was Cloughduv's fittest kids. It's a series of challenges played by six teams and the winners get a trophy. I also enjoyed our confirmation, although we took a long time rehearsing for it. Everyone looked great and the ceremony went well. I will really miss primary school.

My favourite memories from this year include winning the FAI soccer tournament, our visit to the kilmicheal ambush and the soccer world cup tournament. My team came third. Doing football training with Cork footballer Sean O'Leary and our Confirmation was also nice. I enjoyed the football and hurling sciath na scol too. We made it to the semi-final in each one. I enjoyed my years in this school and I will miss it.

As we come to the end of another fantastic school year, there has been plenty of excitement and activity throughout the school. Our World Cup-themed Soccer Tournament was a huge success, with pupils from 3rd to 6th Class showing great skill, teamwork and sportsmanship. After a closely contested final, Team Nigeria narrowly defeated Team Costa Rica to claim the title. The Chess Tournament, organised by our Student Council, was also a great success and attracted enthusiastic participation from pupils in 2nd to 6th Class. Congratulations to Nathan from 6th Class and Conor from 3rd Class, who emerged as the overall winners. Our runners had a great day out at Cork City Sports. Our Junior and Senior Infants enjoyed a wonderful Teddy Bears' Picnic in the sunshine, creating many happy memories. School tours were another highlight of the term, with Junior and Senior Infants visiting the Mardyke Arena, 1st and 2nd Class travelling to MTU, 3rd to 5th Class enjoying an adventure at West Cork Secret, and 6th Class spending an action-packed day at Emerald Park. Every class had a fantastic day out. To top it all off, our annual Fun Day was made even sweeter by a visit from the ice-cream van, which was thoroughly enjoyed by all. It has been a wonderful few weeks filled with fun, friendship and lasting memories.

Finally we said goodbye to our fantastic 6th class as they graduated and took their next steps on their school journey.

6th class you will be missed by us all in Cloughduv N.S

HAVE A GREAT SUMMER!
